

Results of parent survey

November 2023

Thank you very much to parents and carers for completing the questionnaire and for your comments and responses about our school. We had 102 responses. We have compiled the results and are pleased to present them to you.

The results of this will be discussed and shared at the next governors' meeting, and with staff, so that we can make our school an even better place to be for our children and our parents. Parents' suggestions are gratefully received and will be considered as we set our school development priorities for the future.
