

## **Snow and school closure**

Sometimes we may have to make the decision to not open the school for the whole day or close part way through if the weather deteriorates. We don't make this decision without careful consideration as we understand that it can cause considerable disruption.

**If we experience snowy weather, please refer to the pointers below:**

- Listen to the radio stations listed below
- Watch out for a text message (if school isn't opening at all, these will be sent as soon as a decision is made)
  - Look on the school website

Use your judgement. If the weather turns nasty, be prepared to collect your child early from school

Listen to Radio Mansfield (FM 103.2) or BBC Radio Nottingham (FM 95.5 and 103.8)

School may have to close earlier than usual, but don't worry, if you're stuck in traffic or can't get to school straight away, we'll keep your child safe with us

We won't release children to go home with neighbours and friends unless we've heard directly from parents. Your child's safety is our first responsibility!

Thanks for your understanding

**Mr J Fieldwick**
