

Key Stage 1 RE

The Focus of RE for KS1 enables children to develop their knowledge and understanding of religions and worldviews. They find out about simple examples of religion that are drawn from local, national and global contexts. They should use basic subject specific vocabulary. They should raise questions and begin to express their own views in response to the material they learn about and in response to questions about their ideas. The RE curriculum is engaging and interactive, using story, music, drama, activity, teamwork, thinking structures and language work to enable deepening engagement from every child.

The aim of RE is expressed in age appropriate outcomes for most 7 year olds.

Specifically pupils should be taught to:
