

## Key Stage 2 RE

The Focus of RE for KS2 enables pupils to extend their knowledge and understanding of religions and worldviews<sup>3</sup>, recognising their local, national and global contexts. They should be introduced to an extended range of sources and subject specific vocabulary. They should be encouraged to be curious and to ask increasingly challenging questions about religion, belief, values and human life. Pupils should learn to express their own ideas thoughtfully and creatively in response to the material they engage with, identifying relevant information, selecting examples and giving reasons to support their ideas and views.

The aim of RE is expressed in age appropriate outcomes for most pupils at age 11

Specifically, pupils should be taught to:

Know about and understand religions and worldviews	Express ideas and insights into the significance of religion and worldviews	Gain and deploy skills for engaging with religions and worldviews
A1. Describe and make connections between different features of the religions and worldviews they study, discovering more about celebrations, worship, pilgrimages and the rituals which mark important points in life in order to reflect thoughtfully on their ideas;	B1. Observe and understand varied examples of religions and worldviews so that they can explain, with reasons, their meanings and significance to individuals and communities;	C1. Discuss and present thoughtfully their own and others' views on challenging questions about belonging, meaning, purpose and truth, applying ideas of their own thoughtfully in different forms including (e.g.) reasoning, music, art and poetry;
A2. Describe and understand links between stories and other aspects of the communities they are investigating, responding thoughtfully to a range of sources of wisdom and to beliefs and teachings that arise from them in different communities;	B2. Understand the challenges of commitment to a community of faith or belief, suggesting why belonging to a community may be valuable, both in the diverse communities being studied and in their own lives;	C2. Consider and apply ideas about ways in which diverse communities can live together for the wellbeing of all, responding thoughtfully to ideas about community, values and respect;
A3. Explore and describe a range of beliefs, symbols and actions so that they can understand different ways of life and ways of expressing meaning.	B3. Observe and consider different dimensions of religion, so that they can explore and show understanding of similarities and differences between different religions and worldviews.	C3. Discuss and apply their own and others' ideas about ethical questions, including ideas about what is right and wrong and what is just and fair, and express their own ideas clearly in response.
