## Nursery Pre-admission form

In our FS1 nursery we aim to provide the highest quality care and education for all our children therefore giving them the strong foundation for their future. We aim to ensure that all our children develop into independent and lifelong learners.

At Intake Farm Primary school and Nursery children are provided with a range of rich, meaningful first-hand experiences, in which children can explore, think creatively and are active. We provide a well -balanced curriculum and our planning ensures that each child has the opportunity to develop their knowledge, skills and understanding in every area of the EYFS.
