

Intake Farm Primary School Governing Body

The structure and responsibilities of the Governing Body

- The following table shows the current membership of the Governing Body, the responsibilities of each governor and the term of office of each governor. It also shows the committee membership of each governor, the business interests of each governor and the financial interests of each governor.
- No governors have declared that they have governance roles in other schools.
- We have two committees: the Pupil, Personnel and Finance committee and the Strategic committee.
